MEMORANDUM FOR ALL RAF MILDENHALL PRIVATE ORGANIZATIONS

FROM: 100 FSS/CC

SUBJECT: Private Organization Utilization of Myairforcevolunteer.com

1. The Myairforcevolunteer.com website enables users to access the site virtually from any device with an internet connection. It is designed as a tool to assist volunteers with logging volunteer hours. Additionally, organizations have the advantage to publish and manage volunteer needs, while potential volunteers use it to find opportunities and connect with organizations.
2. Using the site will provide a long-term record of volunteerism. This equates to valid data for both the volunteer and the organization, which enables the capture of success stories for awards and individual resumes.
3. The RAF Mildenhall Private Organizations Coordinator actively encourages private organizations and units to use the website exclusively. Training and education will be provided to organizations, units, and individual volunteers via the Airman & Family Readiness Center.
4. My POC is Ms. Mae Haas, 100 FSS/FSFR at DSN 238-3406.
