

24/7 Fitness Access Statement of Understanding & Waiver/Assumption of Risk Form

Hardstand Fitness Center

I understand and agree that my access to the RAF Mildenhall Fitness & Sports Center (FSC) during unmanned hours is a privilege which can be retracted for not abiding by this SOU. (Please initial beside each block, for each item.)

	I will register my Common Access Card (CAC) and sign this form prior to participating in Fitness Access.
	All current authorized patrons defined by AFI 34-101, <i>Air Force Morale, Welfare, and Recreation (MWR) Programs and Use Eligibility</i> , approved by the installation Commander, and over the age 18 (AD can be age 17) may have unsupervised access to the FSC during unmanned hours.
	I am only permitted to have dependents/guests 17 years and under in the facility during unmanned hours as long as I registered them on the separate 'underage members' registration form. All other underage visitors, not registered, may be granted access through the reservation process for short events such as one-day passes, sports clinics, etc.
	I am responsible for reporting any misuse/abuse of the equipment/facility and any violations of this SOU or violations of any other facility, local, Air Force, or Department of Defense regulation to SFS or the FSC staff.
	There will be no supervision or assistance during unmanned hours and I am expected to behave in accordance with military rules and standards. Surveillance cameras will record activities within the FSC during unmanned hours. Violations will not be tolerated. If I have dependents, I understand I will be held liable for their conduct as the sponsor.
	I will be required to swipe my CAC/Fitness Access card for entry. Holding or propping the door open for other patrons is strictly prohibited and will result in the loss of my privilege. (EXCEPTION: I am only allowed to hold the door open for underage members whom I have registered.) I will ensure that the door closes securely following my entry. Sharing my CAC/Fitness Access card is considered theft of services and will be prosecuted IAW the UCMJ. All other doors WILL remain closed unless needed for an emergency.
	I must scan my FSC Card/DoD CAC when entering the FSC during unmanned hours, unless approved by FSC staff.
	Areas that are not available for use will be locked or clearly marked as restricted.
	In case of emergency or need of assistance, an emergency phone is located at the front counter area and will be used to report any issues with the facility (HVAC, burned out lights, broken doors or windows, etc.).
	I will identify and assess potential risks before engaging in any activity and will try to exercise with someone or use cardiovascular and selectorized equipment to mitigate risk of injury.
	A spotter is required when using free-weight bars. If a spotter is not available, I will not perform free-weight bar exercises. Additionally, I understand it is highly recommended not to exercise above my training limits and experience.
	RAF Mildenhall Fitness Centers are not responsible for my personal property and I will safeguard my own belongings.
	In the event of a Natural Disaster, Major Accident, and Chemical, Biological, Radiological, Nuclear and Explosive weapons (CBRNE) incident, I will follow the published procedures.
	The first offense or violation of this SOU and Waiver/Assumption of Risk Form may result in loss of my privileges; and at which time, the sponsor's First Sergeant will be notified. Any offense thereafter may result in further disciplinary action, permanent revocation of privileges, and my chain of command being involved beyond the First Sergeant.
	I am / am not familiar with how to safely operate all fitness equipment available during unmanned hours. If not, an equipment orientation is required before using the facility after-hours.
	I acknowledge I received the required orientation for emergency procedures/information, phone procedures, Automated External Defibrillator (AED) familiarization, and first aid kit with instructions (at the time of registration).
